For the Do-it Yourself People

Order our complete Audio/Video Training
Course from our website or just start with
one of our "easy to use" manuals.

Screen Shot's...A Step by Step Guide to PC
& Workstation Maintenance, is the first
"How To" manual in our series.

Complete the process of professional main-
tenance using the actual screen shots you
would see while performing this procedure.
This manual also shows you some tips &
tricks as well as how to maneuver around
the computer, and much more. 180 pages.

Check it out at;

Who is Computers Etc?

Computers Etc has been in business for over 18 years servicing the Treasure Coast and Palm Beach County.

Owner Robert Birmingham says "I pride myself and my company on fast friendly service. Most of our clients have been with us for over 15 years and some since we opened our doors in 1989".

I work with the small to medium size business and understand their need to have their computers and network up and running all the time. Your concern is my concern.

Robert Has also taught "PC Setup Maintenance and Repair" at adult education in Martin County.
